

THE RESIDENCE COLLECTION

Colour Palette

OVER 26 COLOURS TO INSPIRE YOUR RESIDENCE

Led by the latest in interior and exterior trends...

My COLOUR PALETTE

Welcome to your colour palette, curated to inspire you on choosing the perfect colour combination of windows and doors for your home.

We have developed six design schemes split into collections, so you can choose the perfect tone to match your home both externally and internally, make you and your home smile!

The Coastal Collection brings together restful tones, creating a sense of calm and comfort.

The Cotswold Collection colours associated with the outdoors, enveloping the countryside.

The Dramatic Collection don't be afraid to embrace darker hues, to create an impactful, bold design.

The Element Collection these bare finishes are formulated using no foil, the pigment is added to the extrusion for a natural pared back look.

The Forest Collection combines all the colours and feelings of the forest, whilst replicating the 19th Century unpainted timber window.

The Industrial Collection influenced by modern industrial spaces, they are contemporary, yet timeless.

Which colour or colours will you choose?

Enjoy your Residence journey!

Get Inspired

To help the creativity flow when starting upon your **#myResidence** journey, each of our colours has their own Pinterest board, packed full of inspiration to help you make the hard decisions a little bit easier.

You can find these by searching "**The Residence Collection**" on Pinterest or by simply scanning the QR codes throughout this brochure.

Don't just take our advice, head over to our Instagram profile or search **#ResidenceCollection** and check out the hundreds of happy homes, proudly showcasing their new Residence Collection windows!

COASTAL *Colour Collection*

Clay

Grained
White

Pepper
Oak

Sage

R9 | Grained White

Clay*

A warm and charming neutral, Clay is a rich, earthy hue that creates the most charismatic and elegant of homes. So named because of the Severn clay river banks running through Gloucestershire.

Texture: Grained

* Special order - may incur a longer lead time & surcharge

R7

Clay available both sides and external with Chalk White internal.

R9

Clay available both sides and external with Grained White internal.

R2

Clay available both sides and external with Chalk White internal.

Grained White

Nearest RAL 9003

Grained White is extremely versatile and suits all homes, this is why it's our most popular finish. Offering a traditional brilliant white painted timber look, it represents harmony and balance.

Texture: Grained

R7

Grained White available both sides.

R9

Grained White available both sides. **Dual colour;** All colours available external with Grained White internal.

R2

Grained White available both sides.

Pepper Oak*

Pepper Oak is a mid-tone grey with a coconut fibre undertone. Peppered with the subtle oak finishes of a driftwood coastline, it is a perfect colour for an elegant, yet rustic appearance.

Texture: Grained

* Special order - may incur a longer lead time & surcharge

R7

Pepper Oak available both sides and external with Chalk White internal.

R9

Pepper Oak available both sides and external with Grained White internal.

R2

Pepper Oak available both sides and external with Chalk White internal.

Sage*

There's no better way to soften a home than with the tranquil shade of Sage. It is subtle enough to be neutral, but prominent enough to set the mood, inspired by the aromatic "healing" herb, creating a calming home vibe.

Texture: Smooth

* Special order - may incur a longer lead time & surcharge

R7

Sage available both sides and external with Chalk White internal.

R9

Sage available both sides and external with Grained White internal.

R2

Sage available both sides and external with Chalk White internal.

COTSWOLD

Colour Collection

R9 | Cotswold Green

R9 | Clotted Cream

Cotswold
Biscuit

Cotswold
Green

R9 | Painswick

Clotted
Cream

Painswick

Cotswold Biscuit

Nearest RAL 1015

A darker, richer cream, it originated as a Bath Stone colour, often seen on the exteriors of houses in the West Country. Cotswold Biscuit offers a warming glow to your home.

Texture: Grained

R9

Cotswold Biscuit available both sides.

Dual colour: No.10 Black external with Cotswold Biscuit internal or Cotswold Biscuit external with Grained White internal.

Cotswold Green

Nearest RAL 6021

Cotswold Green is a very cheerful green, remaining lively in both bright sunlight or softer moonlight. A nod to our Cotswold heritage, when used with certain colours of house brickwork, render or cladding it becomes incredibly striking.

Texture: Grained

R7

Cotswold Green only available external with Chalk White internal.

R9

Cotswold Green available both sides.
Dual colour: Cotswold Green external with Grained White internal.

Clotted Cream

Nearest RAL 9001

Afternoon tea wouldn't be complete without it! Clotted Cream is a pretty, traditional colour, which creates delightfully inviting homes with a gentle warmth.

Texture: Grained

R7

Clotted Cream available both sides.
Dual colour: Clotted Cream external with Chalk White internal.

R9

Clotted Cream available both sides.
Dual colour: Clotted Cream external with Grained White internal or Painswick external with Clotted Cream internal.

R2

Clotted Cream available both sides.

Painswick

Nearest RAL 7038

Named in honour of the historic wool town set in the Cotswold Hills, with a nod to the traditional era of Downton Abbey! The modest grey green of Painswick has become one of our most popular finishes in recent years. This rather indeterminate colour brings a softness to homes.

Texture: Grained

R7

Painswick only available external with Chalk White internal.

R9

Painswick available both sides. **Dual colour:** Painswick external with a choice of Grained White or Clotted Cream internal.

R2

Painswick available both sides.

DRAMATIC

Colour Collection

R9 | Corse Lawn | @thecopperbeehouse

Corse Lawn

Eclectic Grey

No.10 Black

Noir

Rosewood

R2 | Eclectic Grey

Corse Lawn

Nearest RAL 7039

Taken from the name of a pretty village in Gloucestershire, the richness of Corse Lawn is instantly appealing. With undertones of green, brown and grey it effortlessly creates a heritage modern look or classic 19th Century feel.

Texture: Grained

R7

Corse Lawn only available external with Chalk White internal.

R9

Corse Lawn only available external with Grained White internal.

Eclectic Grey

Nearest RAL 7016

Eclectic Grey has more interesting undertones than a typical pure grey, it is a smooth texture, perfectly mirroring an aluminium appearance. It's bold tones have been embraced for use in both traditional and contemporary properties with fanatical zeal!

Texture: Smooth

R7

Eclectic Grey available both sides and external with Chalk White internal.

R9

Eclectic available both side
Dual colour: Eclectic Grey external with a choice of Grained White or English Oak internal.

R2

Eclectic Grey available both sides.

No.10 Black

Nearest RAL 8022

Named after the famous Downing Street door. It is imposing and authoritative looking, a staple and fashionable colour for many. It can make your property feel both dramatic and welcoming.

Texture: Grained

R7

No.10 Black only available external with Chalk White internal.

R9

No.10 Black available as a dual colour: No.10 Black external with a choice of Grained White, English Oak or Cotswold Biscuit internal.

Noir*

Noir is as pure black as you can get. With an unsurpassable depth and an almost velvet quality, this true black requires some daring, but as an expressive accent, it will add structure and personality to any home.

Texture: Smooth

* Special order - may incur a longer lead time & surcharge

R7

Noir available both sides and external with Chalk White internal.

R9

Noir available both sides and external with Grained White internal.

R2

Noir available both sides and external with Chalk White internal.

Rosewood

Nearest RAL 8017

Traditionalists will be drawn to this classic wood finish. Rosewood has very similar properties to that of brown, but it has red hues which give it an extra warmth.

Texture: Grained

Rosewood available both sides and external with Chalk White internal.

R7 | Rosewood

ELEMENT

Colour Collection

Chalk
White

No. 38
Grey

Vintage
Cream

Chalk White

Nearest RAL 9016

The purity and cleanliness of Chalk White makes it a truly universal finish. The simplicity harmonises perfectly in any environment or colour scheme, which explains why it is such a strong choice for so many homes.

Texture: Smooth (unfoiled)

R7

Chalk White available as a solid colour.

Dual colour: All colours available external with Chalk White internal **except** No.38 Grey, Vintage Cream & Grained White.

R²

Chalk White available as a solid colour.

Dual colour: Chalk White internal with a choice of Ginger Oak, Honey Oak, Clay, Pepper Oak, Sage, Noir, Anodised, Bronze, Greyish or Pyrite external.

No.38 Grey

Nearest RAL 7035

With current trend towards the pastel colours No.38 Grey is now more relevant than ever. The understated hint of grey makes for a clean and almost graphic finish. Sitting contentedly as part of a calming scheme in homes both old and new.

Texture: Smooth (unfoiled)

No.38 Grey available
as a solid colour.

No.38 Grey available
as a solid colour.

Vintage Cream

Nearest RAL 9001

This classic creamy neutral was known in the 18th and 19th centuries as a 'common' colour to denote its everyday suitability, now this hushed tone can be used widely in modern homes to offer an understated warmth, as an alternative to white.

Texture: Smooth (unfoiled)

Vintage Cream available as a solid colour.

Vintage Cream available as a solid colour.

FOREST

Colour Collection

English Oak

Ginger Oak

Golden Oak

Honey Oak

Irish Oak

Silvered Oak

English Oak

Nearest RAL 1002

The English Oak is undoubtedly one of Britain's most iconic trees. The sandier tones of yellow and brown perfectly replicate the 17th Century unpainted oak windows.

Texture: Grained

R7

English Oak available both sides.
Dual colour: English Oak external with Chalk White internal.

R9

English Oak available both sides.
Dual colour: English Oak external with Grained White internal, or English Oak internal with a choice of No.10 Black or Eclectic Grey external.

R2

English Oak available both sides.

Ginger Oak*

An ambient mid-tone oak colour, Ginger Oak offers a auburn hue with realistic texture, bringing warmth and a hint of rustic to the right property.

Texture: Grained

* Special order - may incur a longer lead time & surcharge

R7

Ginger Oak available both sides and external with Chalk White internal.

R9

Ginger Oak available both sides and external with Grained White internal.

R2

Ginger Oak available both sides and external with Chalk White internal.

Golden Oak

Nearest RAL 8003

Go for Gold! You can't help but love the look of timber, but what we don't love so much about timber is the amount of effort you have to put in to keep it in pristine condition. There's no such worry with our timber alternative systems, that are virtually maintenance free.

Texture: Grained

Golden Oak available both sides or external with Chalk White internal.

R7 Golden Oak

Honey Oak*

Honey Oak is a rich wood effect with golden honeyed shades and a realistic oak grain. A warm colour palette with bronze and copper undertones will bring out the natural beauty of your home.

Texture: Grained

* Special order - may incur a longer lead time & surcharge

R7

Honey Oak available both sides and external with Chalk White internal.

R9

Honey Oak available both sides and external with Grained White internal.

R2

Honey Oak available both sides and external with Chalk White internal.

Irish Oak

Nearest RAL 1011

In comparison to some of the other oak finishes, Irish Oak is much softer and milder tone, making it a more attractive option for some. The freshness of Irish Oak, together with our gorgeous wood grain effect, gives your Residence windows an authentic timber character.

Texture: Grained

R7

Irish Oak available both sides or external with Chalk White internal.

R9

Irish Oak available both sides.
Dual colour: Irish Oak external with Grained White internal.

R2

Irish Oak available both sides.

Silvered Oak

Nearest RAL 7006

A truly stunning oak finish, the silver glistens like a frosty morning in the natural sunlight, imitating a weathered oak finish that is perfect for those who like a vintage look. Suitable for period homes or to add character to modern homes.

Texture: Grained

R₉

Silvered Oak available both sides or external Grained White internal.

R₂

Silvered Oak available both sides.

INDUSTRIAL *Colour Collection*

Anodised

Bronze

Greyish

Pyrite

Anodised*

Gone are the days where grey was considered drab, it is now the perfect colour for creating a contemporary allure, anodised silver is uplifting and ultra-modern.

Texture: Smooth Metallic

* Special order - may incur a longer lead time & surcharge

R7

Anodised available both sides
and external with Chalk White internal.

R9

Anodised available both sides
and external Grained White internal.

R2

Anodised available both sides
and external with Chalk White internal.

Bronze*

This warming metal brings a lavish sense of style to your home and has resurfaced as the design industry's metal of choice – adding an instant old-world-charm to any building.

Texture: Grained Metallic

* Special order - may incur a longer lead time & surcharge

R7

Bronze available both sides and external with Chalk White internal.

R9

Bronze available both sides and external with Grained White internal.

R2

Bronze available both sides and external with Chalk White internal.

Greyish*

Nearest RAL 7001

A minimalist grey that provides neutrality, sympathetically matches many other colours, creating a sense of calm.

Texture: Grained

* Special order - may incur a longer lead time & surcharge

R7

Greyish available both sides and external with Chalk White internal.

R9

Greyish available both sides and external with Grained White internal.

R2

Greyish available both sides and external with Chalk White internal.

Pyrite*

Pyrite metallic lustre with a pale brass-yellow undertone, earning its well-known nickname 'Fool's Gold'. This colour really encompasses the industrial chic vibe, with a hint of luxury.

Texture: Grained Metallic

* Special order - may incur a longer lead time & surcharge

R7

Pyrite available both sides and external with Chalk White internal.

R9

Pyrite available both sides and external with Grained White internal.

R2

Pyrite available both sides and external with Chalk White internal.
